

This document is designed for community college students completing the Biology Transfer Pathway A.S. with the intent to transfer to the University of St. Thomas and complete the Biology B.A. or B.S. degree. Students who do not intend to complete the 60-credit degree should contact our [transfer admission team](#) to plan course selections for the major and the goal areas.

Below is the list of approved coursework from the pathway that meets general education requirements or Biology major requirements. All courses must be completed with a C- or better to transfer.

Normandale Biology Pathway Credits	Credits	St. Thomas Biology Requirements Met
BIOL 1501 Principles of Biology I	4	BIOL 101 General Biology
BIOL 1502 Principles of Biology II	4	BIOL 207 Genetics Ecology and Evolution (must complete BIOL 1501 and BIOL 1502)

BIOL 2205 Genetics

Remaining major courses for Biology B.degree
